

Accessibility Disclaimer

8Pillars Pty Ltd is committed to making its online presence accessible to the widest possible audience, regardless of circumstance and ability. We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG) 2.0 guidelines, published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Further, we aim to conform with the AA level and we continue to assess our efforts to meet these standards. Conformance to these guidelines will help us provide a site that is more user friendly to everyone.

While the site has been created to be usable 'as is', many people will enjoy the most accessible experience by customising their device to suit individual needs. For example, use a screen reader such as JAWS, NVDA or Voiceover to have the site read out loud, or change web page colour-schemes, or increase text size using web browser tools.

8Pillars makes every effort to provide a good experience to all visitors to our site. For example, we try to provide:

- Transcripts, where required, to let hearing impaired visitors (as well as visitors without speakers or headphones) consume the content.
- Alternative text for images to allow screen reader users and those with vision impairments to identify and make sense of useful images.
- Form labels and controls that are associated with the relevant prompt.
- Content that can be magnified using standard browser controls. Auditory and visual CAPTCHA items to provide alternative ways to consume this information.

Limitations of this site's accessibility

While we have done a lot to ensure this site is accessibility, you may find some limitations. We always aim to communicate clearly, and as simply as possible, however some of the content may require a reasonable level of technical understanding due to the technical nature of the information being conveyed.

If you have any comments and or suggestions relating to improving the accessibility of our site, please do not hesitate to contact us by email at ContactUs@8Pillars.com.au. Your feedback will help us make improvements.
